PERSONAL NOTICE OF GOOD FAITH

Hello, Kevin,

We write to notify you that you are required as expert witness in the case 01/2017 held in Ubombo Magistrate's Court from 21-24th November 2017. Your testimony is to bear witness to animal behaviour and features, humanity's impact on natural wildlife and "racist" behaviour within the animal kingdom (nepotism).

Please notify Us by 31st August 2017 if you would be a willing witness; failing to do so, you will be automatically subpoenaed by the court as your presence will be required regardless. However, know that if you will not come from your own free will, your testimony may not bear as much credibility, and We will have to pay the costs. We would like to remind you that We do not have any income and live by God's grace.

In the name of justice, We kindly ask you to do your duty and come to present truth to the court. For your information, find attached the founding affidavit and Our opposing affidavits.

Sincerely,
Andre & Katarina
