**Be pleased to take judicial cognizance that** this Good Faith Public Notice is for all Jurisdictions and that this declaration of rights and all related communication is Executed Outside the Republic for Use Within the Republic in accordance with *rule 63 of the HIGH COURT OF SOUTH AFRICA* rules.

Notice to principal is notice to agent; notice to agent is notice to principal.

I, Immayah, on behalf of the undersigned,

**KATARÍNA KRIŽÁNIOVÁ**

Do hereby state under Oath as follows:

Parties:

**1.**

My name is Immayah. I am acting agent on behalf of the Trust (legal fiction) of KATARÍNA KRIŽÁNIOVÁ. I am a 28-year-old Hebrew Woman who resides close to the "Park" managed by The First Applicant. Address: Emoyeni, Sodwana Bay Main Road, Mbazwana, Kwa-Zulu Natal. Post: P. O. Box 1596, Mbazwana, 3974. Cell: +27 (0) 76 565 4415. E-mail: [katarina@wtfh.org](mailto:katarina@wtfh.org).

**2.**

All facts contained in this affidavit are to the best of My knowledge and belief both true and correct unless otherwise indicated. I was managing Sodwana Bay Guest House (hereinafter mentioned as The First Respondent) at the time of incident complained about by The Applicants, and therefore I represent The First Respondent in this matter. I am purebred White African woman married to purebred White African man Andre Slade (The Second Respondent) according to Our Hebrew Law/ The Bible. I need to make known to the Court that My Husband/Groom and I are one flesh, in accordance to The Bible (*Genesis 2:24*) and thus share responsibility for everything equally; both Our affidavits were made in co-operation/jointly (Annexure 1). For the purposes of this affidavit, I will refer to My Husband and I as We/Us/Our/Ours. Where applicable, the word meaning (etymology) was taken from Dictionary.com.

**3.**

I had been holding post of a manageress of The First Respondent on a voluntarily bases for a period of about 3 years prior to its closure by The Second Respondent, and I am duly authorised to depose to this affidavit on behalf of The First Respondent.

**4.**

My name is Katarína Križáni; I arrived from Slovakia in South Africa as a volunteer for the World Wide Opportunities on Organic Farms (WWOOF) in September 2012 on command of The Almighty God. I am schooled in graphic design, and I am passionate *inter alia* about fine art and photography, Nature, Human Design (Psychology), Languages, Natural healing, Energy, Philosophy, and God/Truth. I am an EU certified Genius of Logic and was internationally ranked number 33 in My year of testing (Annexure 2). I have an IQ of 144. Logic is the gift of accurate reasoning and is a subject of Philosophy. My value to The Second Respondent as factual author of the subject Humanity is irreplaceable as My gift allows Me to process large amounts of information with accuracy and superior comprehension. Andre's published work needed objective verification, and I was the only one who could do so due to Our ability to think out of the box and My objectivity/independency. For the purposes of this affidavit I need to state that I am not religious or connected to any doctrine whatsoever and I consider any labelling of religious applied to Me as Crimen Injuria. I was the only one who did not unfairly discriminate The Second Respondent on the basis of His belief/conscience.

**5.**

Shortly after I arrived to SA, I met The Second Respondent at 14 km mini marathon in Mbazwana, and He asked Me to translate His blog (<http://neanderthol.blogspot.com>) to My language in order to enable wider audience to access what He had discovered and considered ultimately important. I accepted the offer and moved into The First Respondent because *prima facie* The Second Respondent was very knowledgeable, caring and passionate about His project, which I did not have any prior contact with.

## 6.

Andre told Me that He was someone special, which I could feel/see from the wisdom He possessed and love He radiated, but I had to prove it with My logic I got given by God. Once proven, I was determined to do anything for the truth to be revealed, even if I would be arrested. In order to be able to correctly translate posts He had published on His abovementioned blog, I had to have insight into His work, so I questioned everything I possibly could, even to the point of irritating The Second Respondent at times. He neglected The First Respondent because He knew it was much more important to share TRUTH with the world than to make money. The Guest House was generating just enough money to sustain His living costs and salaries for the staff; Andre even indebted Himself to pay publishing and marketing costs of His first two books. He sacrificed His wellbeing for the wellbeing of Humanity; there are many witnesses who will confirm this statement. My interest and passion about His project sparked further research; more and more new revelations emerged, and We inevitably started working together on publishing the final edition. This time everything was objectively proven; We were guided by God YAHWEH (*Matthew 7:7*). I believed it was My duty to do what was in My power to help deliver the Second Respondent's message correctly to the best of Our abilities at the time. We devoted all Our time and resources to this one purpose.

## 7.

I got to know The Second Respondent's work, which made Me witness to the truth about the Son of God Yahshuah also known as The Lion of The tribe of Judah or simply Enki. From Our biblical research, it became very evident that I was brought into His life as I am His life partner/Bride described in The Bible (*Matthew 12:42*). On Our Kabbalah We are Chesed and Gevurah; although incorrectly, The Bible describes Us as Jesus and Mary Magdalene. It was shocking and sounded crazy, but We could not deny it was the truth. As Enki's equal opposite, I was given Carte Blanche to edit and co-author the book *Where To From Here: Cognition* published in October 2014 as the Testimony of ABSOLUTE TRUTH of two independent objective witnesses from opposite sexes, opposite ages, opposite characters, opposite traditions and opposite hemispheres.

**8.**

I volunteered to manage The Guest House to relieve Andre of some pressure and was a manageress of Sodwana Bay Guesthouse at the time of alleged racist incident, as mentioned above. The boundaries between Our professional/business life and private life started to disappear; guests were informed about Our research and even reprimanded if their conduct was in contrast of what We truly believed was righteous, and many got offended by the truth they were told. I started feeling uncomfortable about the fact that We were not able to practice what We preach; Our belief and culture was based on God's Law, and the tourism industry and Corporate governmental rules were in conflict with it. We knew for sure that We were the Two Witnesses of Almighty God whose coming He had prophesied about. It was difficult for Us to be heard by anyone, and We have been ridiculed, as you could well imagine. Our Conscience made Us take a stand for what We know and believe very sincerely; this led to the Sodwana Bay Guest House saga, which got Us into Equality court. In Our God's Law it is a major offence to lie, and only by telling truth We may worship The Creator and all of His creations (*Zechariah 8:16, Leviticus 19:11, John 4:24*).

**9.**

Because I have been witness to The Second Respondent in all aspects of His life almost 24/7 since I met Him and because it is unlawful for Me to speak lies, I need to draw the attention of this Court to the fact that Enki Andre Slade had no prejudice or hatred towards Blacks, neither was He aware of the fact that they were not people. This statement can be easily validated by reading the content of His first two books, which serve as supporting evidence for this case.

**10.**

Based on all the truth We were shown, We had to change Our lives so We can truly represent the truth We know. Our conscience made Us stand by what We really believed was right, according to Biblical Law, and so We decided in the beginning of year 2016 to stop accommodating Blacks and governmental employees. The Respondents still accommodated Our last Black male customer,

which had been visiting The First Respondent on a monthly basis as a business representative for about a year. After this guest, We did not take any more Black customers. Our policy was in action few months prior to the incident described by the Applicants; it is suffice to say that I was pushing more and more on The Second Respondent to impliment policy of not accepting Black kind here; He felt the same but was not as willing to do it as yet. The prostitution and lies of one of the last Black male made the decission to implement the policy clear.

### **11.**

As result of abovementioned, a charge of Crimen Injuria was opened against both of Us on 18/08/2016 by Brigadier Paulus Teboho Mbele on demand of the MEC Sihle Zikalala, case # 76/06/2016. I had to demand the officers to charge Me as well as I was as responsible as The Second respondent and it would be unfair to deny it; My statement was signed 3:33 pm in The First Respondent. When I had to identify Myself, the officers looked at My passport which had no visa stamp and arrested Me eventhough We informed them that We do not fall under jurisdiction as Common Law inhabitants. Since this day, I was illegally detained by Ubombo Magistrates' Court for 33 weeks for "illegal immigration" after several failed attempts to start a paper-trail with the Department of Home Affairs. Because I understood that The Book was of utmost importance to humanity, I decided to stay and face what comes My way. Andre was on a very tight schedule with commitments as Author. The exchange of information and intense research that took place prior to publication consumed Us for 16-20 hours almost every day for two years. Even after spending all Our savings on publishing the books, to date We have not taken any proceeds in reward for Our work. The Publisher, Xlibris, will verify this.

### **12.**

*Section 34 of the Bill of Rights* states: "Everyone has the right to have any dispute that can be resolved by the application of law decided in a fair public hearing before a court or, where

appropriate, another independent and impartial tribunal or forum.”. It is in the interest of justice The Respondents demand referral of the matter to the Constitutional Court on the following grounds:

- The State Prosecutor of the Ubombo Magistrate's Court, Soko is in a breach of *Code of Conduct for Members of the National Prosecuting Authority under Section 22 (6) of the National Prosecuting Authority Act, 1998* by being *inter alia* disrespectful, prejudice (unfairly discriminatory), perjurious and incompetent, as the recording of the session held at Mbazwana Magistrates' court on 25/05/2017 will prove.
- The appointed Legal Aid lawyer, Miss Zikalala is in contravention of *Service Delivery Charter* of the Department of Justice and Constitutional Development as well as *Legal Aid SA Code of Ethics and Conduct*.
- In accordance with *SHERIFFS ACT 90 OF 1986* the Sheriff based at the abovementioned court, Sheriff Themba, is guilty of improper conduct as per the Sheriffs Board case number 10121/11, ref: K11/1.UBOMBO/01/ns.
- The Magistrates' Court of Ubombo is in contravention of *Service Delivery Charter* of the Department of Justice and Constitutional Development.
- The Respondents raise a number of challenges to the constitutionality of legislation, including *the Equality Act* and *Rule 9 of The Constitution*, and such matters fall under the jurisdiction of the Constitutional Court.

**Fuller and more detailed arguments will be made to the Court when the matter is heard.**

### 13.

From The Respondents' research into humanity They came to realise that the fundamental differences between the various kinds of Homos (members of Homo genus) on Earth renders *the Constitution of South Africa* “racist” as it clearly excludes Blacks. They came to the conclusion that God Himself could be considered a “racist”, so They looked for the problem elsewhere. They

decided to turn to the only real law there is: God's Law. As Hebrew, The Respondents decided to devote Their house to Their family members, The Tribe of Israel, who have remained pure in breeding as per Natural Law.

**14.**

It is suffice to remind the court that I was declared Mentally Healthy by the Fort Napier psychiatric hospital in Pietermaritzburg; My evaluation took 3 weeks from 25/01/2017 to 14/02/2017 (Annexure 3). Eventhough I stated during My interviews directly to the mental assessment team that I am Sophia/Immayah known as the Holy Spirit and Andre M. Slade is Enki/Yahshuah known as the Son of God, it did not effect the reported outcome. The Bible prophesied the arrival of God Yahweh's Two Witnesses (*Revelation 11:3*), so it is only logical that somebody has to be them. Were it not for the incompetence of the state prosecutor of Ubombo Magistrates' Court, Soko, the world would have had proof of the Second Respondent's mental health for this hearing as well. He awaits a new appointment on 14/08/2017. The Magistrate's doubt about Our mental health was a result of Us pleading not guilty on My "Illegal Immigrant" and His "Harbouring" charge. Enki Andre Slade accepted free bail and awaits His hearing without detention.

**15.**

The First Respondent wishes to reiterate that *Rule 3 of The Promotion of Equality and Prevention of Unfair Discrimination Act 4 of 2000* states that unfair discrimination is only unfair if it is proven to be unfair.

**16.**

I now provide a seriatim reply to the allegations in the founding and confirmatory affidavit. Any allegation in the Applicants' affidavits which is not specifically addressed in this affidavit is denied.

17.

**RESPONSE TO THE FIRST APPLICANT'S AFFIDAVIT**

**Ad paragraph 5**

The contents of this paragraph are admitted subject to the fact that the First Respondent is no longer operating; it was terminated by The Second Respondent on or about 27/6/2016.

**Ad paragraph 6**

The contents of this paragraph are admitted subject to the facts that the Second Respondent no longer owns The First Respondent nor has He carried on with business since on or about 27/6/2016, as mentioned in above paragraph.

**Ad paragraph 7**

The contents of this paragraph are noted, and I admit that The First Respondent sent out the email in question quoted in this paragraph on 22/6/2017 and that it was sent through email account of Enki Andre M Slade, The Second Respondent.

**Ad paragraph 8**

The article published by so-called Independent Online mentioned in this paragraph (Annexure EC2 in The First Respondent's affidavit) is inaccurate, deceptive and in fact it constitutes Crimen Injuria against The Second Respondent by calling Him "racist", "religious fanatic" as both these claims are false. Further, by Msimango's alleged reply quoted herein as: "This is appalling. This makes me wonder to myself if the president of this country (the country you live in) is not allowed in your whites-only guest house since he is black?", she directly shows she does not believe in equality that she claims to profess as she considers the president, which in fact is a criminal, to have

preference to common public. This puts into dispute her integrity. The Second Respondent's statement: "... we work according to God's law and according to God's law we have to have some sort of segregation between the creation He left here ... the law YOU have in South Africa is Satan's law" is true and correct, as shown in The Second Respondent's affidavit. The First Respondent admits this statement reflected its policies. Regarding the word bastard, it was applied correctly and with full knowledge of The First Respondent; it is Hebrew Biblical term describing any illegitimate offspring (*Deuteronomy 23:2*), which Mmusi Maimane is.

### **Ad paragraph 9**

The contents of this paragraph are admitted except that The Second Respondent did not refer to "his Bible", as stated in this paragraph under 9.1 but to The Bible in general (*Kings James Bible* or any other version which was correctly translated) and except that He did not mean any offense by His comments; Andre was merely honest. If the radio presenter from Vuma FM, Jacintha Ngobese, took an offense it points to her emotional reaction rather than objective reasoning. Further reply is provided by The Second Respondent. Once again the Court's attention is drawn to the fact that the abovementioned presenter lied to Me by saying she was not from the media, as the EC3 Annexure proves, and thus the credibility of her statements should be questioned.

The First Respondent acknowledges that Jacintha offered Us opportunity to spend a week with her and her Black associates. Andre only wanted to confer with Me prior to the decision-making out of respect; We never dismissed this deal; on the contrary, We did further correspond with her and ask her to read Our Book prior to the meeting. On recent call with Enki Yahshuah, this reporter however denied it, which is pointing once again to her dishonesty. We do not treat Blacks or any other animal as nothing but respect them for what they are. We did this out of love, as Enki Andre Slade mentioned in the media interviews; there was no hatred involved. We both love animals and neither of Us disrespects anything The Creator made for His own purpose other than His opponents: those who disregard His Law.

**Ad paragraph 10**

The First Respondent confirms that The First and The Second Respondent are in no way affiliated to The First Applicant.

**Ad paragraph 11**

The First Respondent refers to the Second Respondent's affidavit.

**Ad paragraph 12**

The contents of this paragraph are noted by The First Respondent.

**Ad paragraph 13**

The First Respondent refers to the Second Respondent's affidavit and, as stated before, together with the Second Respondent, they demand this case to be referred to The Constitutional Court because They dispute the Act itself for the reason that it contravenes The Constitution and also their Hebrew/Torah Law.

**18.**

**RESPONSE TO CONFIRMATORY AFFIDAVIT****Ad paragraph 4**

The First Respondent was not registered by the Department of Tourism, which in fact has no jurisdiction over the The Second Respondent Himself, as a free Man on Land, or over His property (The First Respondent).

**Ad paragraph 5**

For the reasons stated in paragraph 4, The Second Respondent is being denied authority over The First Respondent.

**Ad paragraph 6 and 7**

The contents of these paragraphs are noted.

**Ad paragraph 8 and 9**

The First Respondent refers to The Second Respondent's affidavit.

**Ad paragraph 10**

The contents of this paragraph are noted.

**Fuller and more detailed arguments as to why The Respondents oppose the Applicants' allegations in this matter will be made to the Court where the matter is heard.**
